ACE Hardware in Indian Head, Saskatchewan Under New Ownership

The ACE Hardware in Indian Head, SK is under new ownership. Formally “Moss ACE Hardware,” the 6,000 sq ft ACE Hardware Indian Head is now owned and operated by Mike and Bhautika Patel. In the coming months the Patels will be undertaking a renovation to increase the store’s footprint by an additional 3,000 sq ft – 2,000 sq ft for the store and 1,000 sq ft of increased warehouse space. The store is located at 311 Grand Avenue and the new owners are excited to continue serving the community as a one stop shop where people can find home renovation items as well as camping, paint, sports, and pet supplies as well.

In the coming months, customers can expect to see layout changes to the store as well as more categories being made available. These include automotive, crafting and party supplies, as well as household items and stationery. Customers can also expect to see an expansion to the depth and breadth of offerings in the existing categories.

ACE Hardware Indian Head will remain open as the renovations are rolled out. There will be little to no disruption to the business of serving ACE Hardware Indian Head’s new and existing customers and friends.
